

Dear GMAR member,

Thank you for your interest in CBOR, the Commercial Board of REALTORS®, and CPIX, the Commercial Property Information Exchange.

Anyone visiting www.cpix.net may search properties without signing in – the properties viewed are those listed by full access CPIX members. Free limited guest access accounts are available to those with a listing – it will be viewable by paying members only, not the general public – to request just check the box “Guest access” on the participation form.

As a member of the Greater Metropolitan Association of REALTORS®, you can save on an Alliance membership, a DUAL full membership in CBOR as a secondary board for \$150 annually and in CPIX for \$165 quarterly fees.

CPIX is collected quarterly in advance and the month you join is free. CPIX is user friendly, and a help desk is available for any technical questions – visit the website for details.

Alliance membership is by agent, not by company; only those who want the service are required to participate.

Contact GMAR for an Alliance membership form and for any questions you may have. Once your form is processed, you will receive an email notification when your account is activated, usually within 1-2 business days.
