

The listing release form provides authorization from previous broker to release the agents listings to the new broker when an agent transfers their license to a new brokerage. Please note that a transfer request with both the association and LARA must have also been completed to process the release of listings.

**Section I: Broker Authorization (both previous and new brokers must authorize the request)**

**Previous Broker**

I am the Designated Realtor®/Broker of record for the office from which the listings are being transferred. As the Designated Realtor®, I authorize the transfer of listings as indicated.
