

GMAR – Appraiser Member Benefits

GMAR has recently expanded our knowledge base to provide services and benefits to our appraisal members. We understand that the ever-changing demands of a real estate appraiser need to be met on a local level and are here to provide that service to you, our Appraisal member.

We hope that you will take a moment to view the various information provided within this pamphlet to make an educated decision on choosing GMAR as your primary Association in southeast Michigan.

Should you have any questions, our staff will be happy to help you along the way and answer any questions that you may have.

EDUCATION

GMAR offers courses for appraisal licensing and continuing education and USPAP courses to meet all state requirements for renewal. These courses are available online through GMARonline.com.

ADVOCACY

With the ever-changing economy and laws regulating the practice of real estate and appraisals in Michigan, we ensure your voice is heard. We will also keep you up to date with new rules and changes that affect the appraisal industry through our various communication methods.

LISTING ON GMARonline.com

All of our Appraisal members are listed online at GMARonline.com at no additional charge.

COMMUNICATION

Communication is Key. We have always felt strongly about this issue with our membership and strive to stay in touch with you on all of the latest issues, upcoming events, educational sessions, and many other vital issues. Some of the communication methods through GMAR include our monthly newsletter, email communications every week sent directly to your inbox, the Appraiser section on GMARonline.com, and that's to name a few.

BENEFITS

Discounted printing services are available through the RESC™, available exclusively at GMAR. Services available include color copies, printing services, bulk mailing services, promotional items, graphic design, letterhead/envelopes, and much more! Members of GMAR also receive discounts on various items and services, such as discounts on purchases made through Dell, Lowes, auto/home insurance, E&O Insurance, rental cars, Fed/Ex, and more.
