

Special Offer

for the Membership of

GREATER METROPOLITAN ASSOCIATION of REALTORS

The *Metro Detroit ASource* (also known as the Metro Detroit Relocation Guide) is the premier regional resource publication acclimating individuals, families and businesses moving to the Metro Detroit/Southeast Michigan area. Based on a platform of information rather than articles and combining print, online and social media to extend its reach and versatility, *ASource* is a value on investment vehicle for establishing your brand in relocation for the Metro Detroit area.

Using a network of economic development activities serving the Southeast Michigan area, local/regional Chambers of Commerce, business associations and other partners, *ASource* highlights basic information, business connections, community profiles, educational resources, cultural assets, sports and recreation and health care information needed to support successful relocation to Metro Detroit.

GMAR uses *ASource* in its orientation activities because of its focus on the quality of life that is unique to Metro Detroit. This focus can also be used as a platform for messaging the special qualities you bring to the table to assist an individual, family or business relocating to Southeast Michigan or specific area of Metro Detroit.

KPG is offering 3 levels of presentations – ¼ page, ½ page or full page – at special discounted rates for GMAR members in the *2020 Metro Detroit ASource*. KPG will limit the number of realtor/realtor teams so no more than 4 pages of ad copy are devoted to realtor ads in this book. Presentations can be camera ready or KPG can assist you in developing your presentation at no additional cost. Pricing requests relative to premium locations or Presenting Sponsorship will be handled on an as come basis.

Contact Larry Ribits at lribits@keatonpublications.com or 716.536.2839 for more information or to reserve your place in the *2020 Metro Detroit ASource*.
